

Job Opening: Postgraduate Fellow
Location: Kuwait

FSHN is the leading multidisciplinary organization for rehabilitation services, counseling and psychological services, research, and health promotion in Kuwait and the Gulf region. It seeks to expand its mental health services with the addition of a full-time Postgraduate Fellow.

The purpose of the Postgraduate Fellowship position is to offer comprehensive clinical training in psychotherapy, crisis intervention, psychological assessment, and community consultation. Under close supervision, the Fellow will provide intake assessments, individual psychotherapy, crisis intervention, assessments, and a variety of outreach programs. The Fellow will participate in all aspects of the department's efforts to support the developmental and wellbeing of its clients and broader Kuwait community.

The successful candidate must possess at least a master's degree in psychology, counseling, or social work. Although fluency in Arabic would be an asset, it is not a requirement for this position. The fellowship is full-time for 2 years.

Job Description:

- Maintain a minimum of 12 clinical hours per week providing counseling to individuals, families, couples, and groups.
- Provide one wellness workshop per month.
- Conduct outreach to the community on a weekly basis, disseminating mental health information to the public.
- Provide professional development and support services to FAWSEC and the broader community.
- Supervise volunteers and interns.
- Engage in 1 hour of weekly individual clinical supervision and a weekly case conference. To optimize the training experience, clinical sessions should be recorded.
- Take-on additional responsibilities as assigned.

Requirements:

- Possess a master's degree in psychology or an allied discipline from an accredited university.
- Complete graduate-level coursework in counseling theory, ethics, and micro-skills.

- Demonstrated ability to work with multicultural clients.
- Demonstrated commitment to the mission and values of working in a nonprofit organization.
- Demonstrated ability to work with a high degree of autonomy and effectively manage stress.
- Demonstrated ability to see projects and programs through to completion.

Salary:

The salary and benefits is commensurate with education and experience.

To apply:
