

Job Opening: Staff Psychologist

Location: Kuwait

Fawzia Sultan Healthcare Network (FSHN) is the leading multidisciplinary organization for rehabilitation services and mental health care in Kuwait. It seeks to expand its mental health services with the addition of a full-time Staff Psychologist to provide psychotherapy with children, families, couples, and adults with a wide range of presenting concerns.

Job Description:

- Provide culturally-appropriate psychotherapy service to children, adults, couples, and families for a wide range of concerns.
- Provide outreach to the community through presentations, workshops, and consultations.
- Provide training and clinical supervision of trainees.
- Collaborate with the multidisciplinary FSHN staff, outside service providers, and clients' families.
- Adhere to ethical guidelines set forth by a recognized professional body.

Qualifications: A master's degree in Psychology, Social Work, Counseling, or an allied field and at least two years of post-master's clinical experience. Must have strong clinical skills and the ability to develop, implement, and evaluate effective and culturally-appropriate treatment plans. Arabic fluency is preferred but not mandatory.

Salary: The salary is highly competitive and commensurate with education and experience. Additional benefits could include a tax-free salary, housing/housing allowance, annual airline tickets to their country of origin, and generous annual paid vacation.

To apply: Submit a cover letter, resume/vita, and the names and contact information for at least three professional references to Dr. Nicholas Scull (n.scull@fshnkuwait.org; Phone: 2572-0338).

About Fawzia Sultan Healthcare Network (FSHN): FSHN is a nonprofit multidisciplinary health clinic consisting of physicians, physiotherapists speech therapists, and mental health clinicians. FSHN provides high quality care in a multidisciplinary and integrated manner that optimizes function and improves the quality of life for the people of Kuwait and the Gulf region.
